

Mission: We exist to fulfill God’s great mission by Christ working in and through us.

Vision: Loving God, loving others, and making disciples wherever we are.

Core Outreach Values

1. We value **Kingdom Advancement** by:
 - a. Distribution of His word and proclamation.
 - b. Leading people into a deeper relationship with Christ.
 - c. Church planting and small group ministries.
2. We value caring for **Families in Distress** by:
 - a. Sponsoring children at risk providing education and food.
 - b. Caring for orphans and promoting foster care.
 - c. Providing shelter for families in distress.
3. We value providing **Resources for Life** by:
 - a. Combating poverty in rural areas through community development projects, clean water, medical camps, good education, and irrigation/farming projects.
 - b. Providing food and shelter for the homeless.
4. We value being a **Voice for the Voiceless** by:
 - a. Drawing attention to the plight of the unborn.
 - b. Assisting in the rescue and restoring of young girls trafficked into the sex industry.

Focus Group Strategy

Concentrate all our resources and energy into Key Focus areas currently aligning all we do with our core values:

Focused Area + Focused Projects = Greatest Impact

Local Partners

Primary Focus: Douglas and Arapahoe County

Partners: Denver Rescue Mission, Hope Academy, Alternatives Pregnancy Center, Open Door fellowship, and Christ’s Body

Grace Initiatives: Winter Shelter Network, Refugee Mentoring

Local/Global Ministry Philosophy

- a. We seek to pray, listen and follow Gods specific leading for Grace Chapel.
- b. We invest in long-term mutual partnerships with indigenous churches and national workers, empowering and serving with humility and grace.
- c. We select local partners that are serving within our core values.
- d. We resource impactful, strategic plans that are presented by our partners, agreed by the team with good accountability, and measurable results.
- e. We send short-term teams to our focus area partners, both local and global, with clear goals and objectives for each team without placing unnecessary burdens on our partners.
- f. We investigate sustainability (Business as Missions) projects where it makes the most missional sense.
- g. We believe everyone is sent both local and global.
- h. We work among the poorest and least reached peoples of the world in the 10/40 window.

Global Partners:

Forgotten Triangle: Niger, Burkina Faso, and Benin

Tunisia: Tunisian Arabs
