ROOTED: WOMEN'S BIBLE STUDY – SENT!

.....

Cost: \$27 (online) or \$25 (cash/check) • Upper Lobby Hub

Who is Jesus? Think about that for a moment. Who is He, and why did He come to earth? Come with us on a journey through the pages of Mark as the reason the Father sent Jesus unfolds before our eyes. Bringing more than spiritual renewal; Jesus reaches into lives of needy people just like us to serve in a way like no other. He desires that we would be free to get beyond our natural bent toward self-absorption and comfort and pour out our lives into others. Join us on Tuesdays, beginning August 22 (mornings and evenings), where we will grow deeper in Christ together. Free childcare available by reservation.

For even the Son of Man came not to be served but to serve, and to give His life as a ransom for many. Mark 10:45

AUTHENTIC MANHOOD: 33 THE SERIES

.....

Part 1 • Cost: \$15 • Community Building – Room 310

6 weeks: August 22, 29, September 5, 12, 19, and 26

Part 2 • Cost: \$15 • Community Building – Room 310

6 weeks: October 3, 10, 17, 24, 31, and November 7

Part 3 • Cost: \$15 • Community Building – Room 310

4 weeks: November 14, 21, 28, and December 5

Part 1: A Man and His Work

Work and career play a major part in the life of any man. This study helps men recognize obstacles and tensions in their work-life and offers them a biblical perspective of work based on God's original design. A biblical blueprint of work serves as a guide for men to follow and live out God's higher purpose for their work experience.

Part 2: A Man and His Marriage

No other human relationship is more important in a married man's life than his spouse. That relationship can be an incredible source of joy, energy, and intimacy. But as great as marriage can be, it can also be a source of pain and misunderstanding. God does not want you to be stuck in your marriage, He wants you to be thriving in our marriage and growing together. In this study, we will discover God's vision for marriage that will inspire and encourage you on your marriage journey.

Part 3: A Man and His Fatherhood

Men need more than just a challenge to spend more time with their families. In this study, men are equipped with skills and practical tools to help them be intentional dads armed with a strategic plan for each of their children. This resource prepares dads to launch healthy sons and daughters into the world.

MEN: CONQUERING THE ISSUES THAT MATTER MOST

• • • • •
Cost: Free • Community Building – Room 314

Men need an environment in which to be challenged in their relationship with Jesus Christ. Resources on issues that directly relates to their home, work, and ministry will be provided. Men need a small group of guys to combat the culture as they fellowship, learn, grow, and figure out life together.

Tuesday nights, men meet to discuss the “issue” of the week (no pre-homework required; join at any time and stay as many weeks as you want). As you provide leadership for your family, church, and community, remember that what you are doing echoes in eternity.

Your investment in the battle counts.

MEN'S BIBLE STUDY • RECOVERING REDEMPTION

.....

Cost: \$13 • Community Building – Room 311

Recovering Redemption: A Gospel-Saturated Perspective on How to Change
by Matt Chandler, Lead Pastor at the Village Church

God Has More. We're Settling For Less.

The Bible is clear from the beginning that God intends for His people to experience life abundantly. So why are things such a mess, even for Christians? In this 12-week study, Matt Chandler gets to the root of brokenness and our destructive patterns of behavior. With relentless grace, Matt unpacks true repentance and the doctrines of justification, adoption, and sanctification with remarkably practical application. It's time to start living like we believe in the ongoing power of redemption.

The Gospel Changes Everything.

Recovering Redemption, written with a pastor's bold intensity and a counselor's discerning insight, takes us deeply into Scripture to take us deeply inside ourselves, discovering that the heart of all our problems is truly the problem of our heart. But because of what God has done, and because of what God can do, the most confident, contented people we know could actually be us—redeemed through Jesus Christ.

You can't. God can.

Life never lacks for improvement in ourselves, in our relationships, in just about everything. But all our brave stabs at getting better, if they ever change anything, are incomplete at best, complete failures at worst. Sometimes much worse.

Unless...

The Gospel of Jesus Christ is the great "unless" of life—both for those who already believe (but can't believe the messes they're still capable of making), as well as those who don't yet believe but just know their way isn't working.
