ROOTED: WOMEN'S BIBLE STUDY – SENT!

.....

**Cost: \$28 (online) or \$25 (cash/check) • Upper Lobby Hub
Tuesdays, January 16 – April 10**

Ready for a fresh encounter with Jesus? Walk with us through the pages of Mark as Jesus reveals His identity and purpose to all who will hear. At Rooted Bible Studies, we desire to know and follow Jesus fully through the study of His Word in community.

We have committed this whole year to looking closely at the life of Jesus; who He really is and why He really came. While the name of Jesus is very familiar in our culture, the Good News He brought, if truly understood, changes everything. Whether you're someone seeking faith or a long-time follower of Jesus, this quote by Jerry Bridges applies to you; "Preach the Gospel to yourself every day." We need to daily abide and remember His Son's perfect work on our behalf. Join us as we grow together in our love for Jesus as we let the truths, He came to reveal, transform our hearts.

Join us on Tuesdays (mornings or evenings), where we will grow deeper, to experience abundant life in Christ together.

For even the Son of Man came not to be served but to serve, and to give His life as a ransom for many. – Mark 10:45

MEN: WALKING IN THE WAY OF THE WISE

.....

**Cost: Free • Community Building – Room 310
Begins January 30**

Straight Talk to Men About Life From the Book of Proverbs

Come and join us on a journey to discover what the wisest man who ever lived has to say to us who live in the 21st century. We will discover that wise living is not as much a matter of the capacity of one's head (information) as it is a matter of the posture of one's heart (attitude).

Starting January 30, we will be taking a close look at the first nine chapters of Proverbs (thirteen sessions).

One big problem with all the advice we hear today from our culture is it that it always begins with "ME." We are told by modern day sages that if we first "get in touch" with our inner selves and figure out life ourselves, then we will realize true satisfaction and fulfillment in life.

Solomon and the sages who share their wise insights in the book of Proverbs do so not as professors addressing students in a college lecture hall, but rather as seasoned commanders charging their troops to prepare them for battle. Solomon embeds the wisdom he has received from God in several intensely personal and passionate father and son talks about life. His hope is that they will penetrate the hearts of his readers to prompt them to think more deeply and personally about God and about life.

Enter through the narrow gate; for the gate is wide and the way is broad that leads to destruction, and there are many who enter through it. For the gate is small and the way is narrow that leads to life, and there are few who find it. – Matthew 7:13-14

MEN: CONQUERING THE ISSUES THAT MATTER MOST

.....

Cost: Free • Community Building – Room 314
Ongoing

God has a standard for manhood. He has a goal. His Kingdom is the goal! As men, God has one purpose and one purpose only for us—advancing His Kingdom for the betterment of those within our spheres of influence.

We are in a battle, lives will be won or lost, eternities will be shaped, dreams will either be attained or relinquished. Jesus wants men who will carry out His agenda, governance and guidelines in a world in crisis.

Come join us on Tuesday nights to learn how to lead as a servant of the King! As iron sharpens iron, we will discuss how to apply God’s Word in order to make an impact for the Kingdom in our spheres of influence.

Tuesday nights, men meet to discuss the “issue” of the week (no pre-homework required; join at any time and stay as many weeks as you want). As you provide leadership for your family, church, and community, remember that what you are doing echoes in eternity.

MEN OF THE WORD (MOTW)

.....

Cost: Free • Community Building – Room 311
Ongoing

Mission Statement:

Connecting men in authentic biblical community together, equipping and training them to live Godly lives through biblical truth, discipleship, and accountability.

An ongoing Bible study building community centered around God’s Word.

The study will contain components of teaching, small group discussion, prayer, and man-to-man discipleship. We will read the Word, seek to understand the Word, and most importantly, strive to apply it to our everyday lives. We will look at Scripture and see how it speaks to our roles as men, husbands, leaders, fathers, and to men who have a heart to reach the lost in our spheres of influence.

This group is for any man, whether a new believer or seasoned saint, wishing to mentor a young believer in Christ.

“There is no problem in human life that apprenticeship to Jesus Christ cannot solve.”
Dallas Willard
