

Service

LENDING A
HAND TO HELP
SOMEONE ELSE

BOTTOM LINE: Use what you have to serve others.

Read Hebrews 13:16

DAY
1

Fish and Loaves

This week's Bible story is a miracle. Jesus took one small lunch and fed thousands of people and they had leftovers!

While you won't be able to feed the whole school with the contents of your lunchbox, you can use what you have to serve others. In fact, you probably have something in your desk or in your room right now that you could use to serve others.

Draw a picture of five things you find in your room or in your desk at school. Underneath the drawing, write "Use what you have to serve others."

THANK God for the opportunity to serve others with what you have.

DAY
2

Lunchbox Notes

One way you could serve someone else is by encouraging them! You never know how your kind words could change their whole day for the better.

Write a note to a sibling or friend and stick it in their lunchbox. Say something you love about them and how thankful you are that they're your brother/sister/friend.

ASK God to help you use what you have to serve others.

DAY
3

SERVE Bracelets

You don't have to do something **BIG** to serve. In fact, sometimes a simple act of kindness, like sharing a hug or offering to hold a door, can make someone's day. On a wide rubber band, write the word "SERVE" with a pen. This week, each time you look at your bracelet, remember to use what you have to serve someone else.

LOOK for ways to serve others by using what you have this week.

DAY
4

Don't Forget

With an adult's help, look up **Hebrews 13:16** and fill in the blanks below:

"Don't _____ to do good. Don't _____ to share with others. God is please with those kinds of offerings."
— Hebrews 13:16, NIV

What word was missing? YES! The word "forget!" Let's not forget to do good and to serve others by sharing. Keep wearing your **SERVE** bracelet from yesterday so you don't forget to lend a hand to help someone else this week.

KNOW that God wants us to remember to serve others using what we have!
