Daniel 5:1-31

Devoted: Seeing God's Reflection in My Fire

Speaker: Josh Weidmann

THIS WEEK:

Write	a list of 25 ways of how I have seen God
being	faithful in the past and praise Him for
those	things.

- Read and James 4:13–17 and write a paragraph of what it means for my life.
- Ask a friend to help me see where God is being faithful to me right now.
- Pray and ask God to forgive me of my pride and self-sufficient attitude.

DISCUSSION READ DANIEL 5:1-31 As you re-read the Daniel passage above, where do you see sin and what would you call this type of sin? How does a person get to a point where they treat God so callously, flippantly and without reverence or fear? It seems like at first there wasn't fear and then there was – what's the difference between those two types of fear? ☐ Verse 2 says 'under the influence of wine' – in what was might alcohol allow us to do foolish things that we wouldn't normally do? What have you learned in this area? What have you found puts you in a right relationship and position with God? What causes us to forget God, as our provider, and what helps us remember Him as provider? How might pride fit in here and what fuels our pride? How can we stay humble?
