

THY KINGDOM COME

WELCOME

We hope you find this place welcoming and filled with excitement about what God is doing here. If we can help you, please don't hesitate to ask. Welcome home!

IN EACH SERVICE

KIDS AND YOUTH: Age-appropriate classes are available for kids, birth – 5th grade, during both services. Junior High and High School students meet at 9 AM in the south building. Guest Services will show you the way to your kid's class. We will make sure your kids are safe and cared for while they are here.

CONNECT CARD: There are many ways to connect at Grace. The Connect Card is our primary way of ensuring that you are cared for and plugged-in to our community. Simply fill out a Connect Card and drop it in the boxes as you leave today. One of our leaders will contact you during the week.

PRAYER: If you need prayer, you can share that need confidentially with men and women available at the front of the Worship Center after each service. You may also share your need by filling out the Connect Card. Drop your card in one of the boxes as you leave today.

GIVING: Grace Chapel is using Pushpay to make online gifts easier. Simply text "gracechapel" to 77977 or visit our website at [GraceChapel.org/Give](https://www.GraceChapel.org/Give) and choose the "give now" button to set up giving.

GRACE CHAPEL APP: Download our church app for your Apple or Android device! You can listen to past sermons, follow along with the sermon notes, see our upcoming events, give, and more! Just go to the app store on your device and search for "Grace Chapel Denver!"

▶ CHURCH SECURITY SUMMIT

NOW IS THE TIME!

NOV 9 • 9 AM – 1 PM • \$15/PERSON

Grace Chapel is hosting The Church Security Summit which is an interactive gathering of churches to improve their safety and security. Violence in our communities is on the rise and the church must respond by being better prepared. By learning from experts in the field and being given opportunities to participate in training, churches will leave the summit with a better understanding of the necessary elements of a successful church security team. Check out the website for more details or to register if you would like to get involved.
